**General Statement of Professional Experience (written by firm)**

Gartley & Dorsky is an engineering and surveying firm serving the residents and businesses of Maine. We provide civil and structural engineering, surveying, permitting, and soils and wetland science services on large and small projects across the state. From the small (residential additions and septic designs) to the large (ALTA surveys and full service site planning on subdivisions and commercial development) we strive to provide each client with the same great service and cost-effective solutions. Additional information on our firm and services can be found on our website at [www.gartleydorsky.com](http://www.gartleydorsky.com).
